

Night-Vent Locking Peardrop Fastener – Left Hand – Satin Chrome

Variant code: 45398

Our range of peardrop fasteners are simple in design and offer a traditional looking product.

Designed to fit casement windows and match the peardrop window stays in the range.

The handle is night venting and can be locked in the open position as well as the closed position allowing some ventilation.

- The product is handed and therefore care needs to be taken when choosing the correct hand. From the inside view, if your window is hinged on the left then a left-hand fastener is required.
- The fastener has a locking mechanism by way of a grub screw.
- Suitable for use with weather-stripped windows.
- Supplied with matching SS wood screws.

Property	Value
Finish	Satin Chrome
Range	Peardrop
Overall Length (mm)	149
Handle Length (mm)	132

Gallery

Technical drawing of a Night Vent Locking Peedrop handle. The drawing includes three views: a front view showing a vertical handle with a curved bottom and three circular elements at the top (dimensions: 149, 36, 35); a side view showing the handle's profile (dimensions: 132, 49, 63); and a detail view of the handle's base (dimensions: 25, 14, 63).

Please Note, due to the hand crafted nature of our products all measurements are approximate and should be used as a guide only.
