

Night-Vent Locking Peardrop Fastener – Left Hand – Polished Chrome

Variant code: 45394

Our range of peardrop fasteners are simple in design and offer a traditional looking product.

Designed to fit casement windows and match the peardrop window stays in the range.

The handle is night venting and can be locked in the open position as well as the closed position allowing some ventilation.

- The product is handed and therefore care needs to be taken when choosing the correct hand. From the inside view, if your window is hinged on the left then a left-hand fastener is required.
- The fastener has a locking mechanism by way of a grub screw.
- Suitable for use with weather-stripped windows.
- Supplied with matching SS wood screws.

Property	Value
Finish	Polished Chrome
Range	Peardrop
Overall Length (mm)	149
Handle Length (mm)	132

Gallery

Technical drawing of a Night Vent Locking Peadrop. The drawing includes three views: a front view, a side view, and a detail view of the locking mechanism. Dimensions are provided in millimeters (mm). The front view shows a height of 149mm and a width of 36mm. The side view shows a height of 132mm and a width of 35mm. The detail view shows a height of 49mm and a width of 63mm. The locking mechanism is shown in a detail view with dimensions 14mm and 63mm.

Please Note, due to the hand crafted nature of our products all measurements are approximate and should be used as a guide only.
