Night-Vent Locking Reeded Fastener - Polished Nickel

Variant code: 83912

The reeded handle is part of the period range of window furniture. A classic regency design with a stylish reeded end that will suit both traditional and contemporary settings.

Our weighty reeded window handle range is forged from solid brass which emphasises the high quality materials and manufacturing techniques used. A perfect design choice to use throughout your property with many other matching products available.

Designed to fit casement windows and match the reeded stays and door handles in the range.

- The handle is night venting and can be locked in the open position as well as the closed position allowing some ventilation.
- Reversible design and includes two keep plates for both left and right handed windows. The fastener also has a locking mechanism by the way of a grub screw.
- Suitable for use with weather-stripped windows.
- Supplied with matching SS wood screws.
