Claw Sash Fastener - 76mm Width - Lockable - c/w Receiver Plate - Antique Brass Unl

Variant code: 0182LK/ABU/B

Secure Your Sash Windows with the 76mm Lockable Claw Sash Fastener in Antique Brass

Enhance the security, style, and authenticity of your traditional sash windows with our premium 76mm Lockable Claw Sash Fastener. Crafted from high-quality solid brass with a beautiful **Antique Brass Unlacquered finish**, this robust fastener offers both reliable locking functionality and a timeless aesthetic that complements period properties and classic interiors.

Key Features & Benefits:

- **Superior Security:** The innovative "claw" mechanism provides a strong, positive lock, drawing the two sash windows tightly together to prevent forced entry and rattling. The **integrated locking feature** offers an extra layer of protection, giving you peace of mind.
- **Authentic Antique Brass Finish:** The **unlacquered antique brass** develops a unique, natural patina over time, adding to its character and authenticity. Perfect for **restoration projects** or for adding a touch of vintage elegance to new builds.
- **Complete Set:** Each fastener comes **c/w (complete with) a matching receiver plate**, ensuring a perfect fit and straightforward installation on your wooden sash windows.
- **Optimal 76mm Width:** Designed to provide a secure and stable fastening for a wide range of sash window sizes.
- **Durable & Long-Lasting:** Constructed from solid brass, this fastener is built to withstand years of use, resisting corrosion and maintaining its
