

Rack Bolt – Strike & Turn – 57mm Backset – Satin Chrome

Variant code: 0525SC/C

Secure Your Space in Style: Rack Bolt – Strike & Turn – 57mm Backset – Satin Chrome

Enhance your home or office security with the sleek and reliable Rack Bolt – Strike & Turn in Satin Chrome. This premium security solution offers discreet yet robust protection, blending seamlessly with modern interiors while providing peace of mind.

Key Features & Benefits:

- **Optimal Security & Privacy:** Designed for an elevated level of security, this rack bolt is ideal for internal doors where privacy and an extra layer of protection are desired. The "Strike & Turn" mechanism allows for convenient, tool-free locking and unlocking from one side, perfect for bedrooms, bathrooms, offices, or utility rooms.
- **Versatile 57mm Backset:** The generous 57mm backset provides ample clearance, making this rack bolt suitable for a wide range of door thicknesses and styles. This ensures a clean and professional installation, preventing interference with door frames or architraves.
- **Durable Satin Chrome Finish:** Crafted from high-quality materials and finished in an elegant satin chrome, this rack bolt offers exceptional durability and a sophisticated aesthetic. The satin chrome finish is not only resistant to tarnishing and corrosion but also effortlessly complements contemporary door hardware and decor.
- **Robust Construction:** Engineered for long-lasting performance, the solid construction of this rack bolt ensures reliable operation and resistance against forced entry attempts, providing you with a dependable security solution.

- **Discreet & Stylish Design:** Unlike traditional bulky locks, the rack bolt's compact and recessed design offers a clean, minimalistic look when installed. This subtle yet effective security measure maintains the integrity of your interior design.
- **Easy Installation (Professional Recommended):** While installation can be undertaken by a competent DIY enthusiast, professional installation is recommended to ensure optimal performance and security. The product comes with all necessary fixings for a straightforward setup.
- **Wide Application:** Perfect for residential properties, commercial offices, hotels, and guesthouses. Ideal for securing internal doors that require an additional layer of security or privacy beyond standard latch mechanisms.

Why Choose Our Rack Bolt – Strike & Turn – 57mm Backset – Satin Chrome?

Invest in a security solution that doesn't compromise on style. Our Rack Bolt – Strike & Turn combines robust engineering with a contemporary design, offering a secure and aesthetically pleasing addition to any door. Its durable satin chrome finish ensures it will stand the test of time, both in terms of functionality and appearance.
