

Clip Top 110° Hinge, Inserta Boss – Overlay – Unsprung – Nickel Plate

Variant code: 70T3590.TL-NI

CLIP top hinges are trustworthy, functional ensuring every door opens and closes with reliable ease.

Three-dimensional adjustment: +/-2mm side and +3/-2mm depth adjustment via spiral screw. CLIP top hinges combined with Blum's wide range of mounting plates offer height adjustment. CLIP top mechanism removes the need to screw the hinge to the plate.
