

Adjustable Architectural Heavy Duty Roller Catch – Urban Dark Bronze

Variant code: ARCAUDB

Adjustable Architectural Heavy Duty Roller Catch – Urban Dark Bronze

Kit out your door's performance and aesthetic with our premium Adjustable Architectural Heavy Duty Roller Catch in a sophisticated Urban Dark Bronze finish.

Unparalleled Durability & Robust Construction:

Crafted from high-grade, solid materials, this roller catch is engineered for **heavy-duty performance** in high-traffic commercial and residential environments. Say goodbye to flimsy alternatives; our architectural-grade catch ensures **long-lasting reliability** and **superior strength**, providing a secure and consistent hold for even the heaviest doors. The robust construction guarantees **enduring functionality** and **resistance to wear and tear**, making it an ideal choice for **high-use doors, utility rooms, closets, and commercial applications**.

Smooth, Silent Operation & Adjustable Tension:

Experience the difference of **smooth, quiet door closure** every time. The precision-engineered roller mechanism provides **effortless engagement and release**, eliminating jarring noises and enhancing the overall user experience. What truly sets this roller catch apart is its **innovative adjustable tension feature**. Easily customise the holding strength to perfectly suit your door's weight and your desired level of resistance. This **fine-tuning capability** ensures optimal performance for various door types, from lightweight interior doors to substantial exterior ones. Achieve the perfect balance of **secure closure** and **easy accessibility**.

Sophisticated Urban Dark Bronze Finish: Beyond its exceptional functionality, this roller catch boasts a stunning **Urban Dark Bronze finish**. This rich, deep hue with subtle undertones of black and brown offers a contemporary yet timeless aesthetic. It's the perfect complement to a wide range of interior design styles, including **industrial, modern farmhouse, transitional, and traditional**. The **hand-finished appearance** adds a touch of

luxury and sophistication to any door, seamlessly blending with existing hardware or serving as a statement piece. This **durable finish** is not only visually appealing but also **resistant to tarnishing, chipping, and corrosion**, maintaining its exquisite look for years to come.

Versatile Application & Easy Installation:

Designed for **architectural excellence**, this heavy-duty roller catch is incredibly versatile. It's an ideal solution for a multitude of applications, including:

- **Commercial doors**
- **Residential doors**
- **Closet doors**
- **Utility doors**
- **Cabinet doors (heavy-duty)**
- **Swinging doors**
- **Bifold doors (requiring strong hold)**

Installation is straightforward, thanks to its **standardised dimensions** and **user-friendly design**. Each catch comes with all necessary **mounting hardware**, ensuring a hassle-free setup process for both professional installers and DIY enthusiasts.

Key Features & Benefits:

- **Heavy Duty Construction:** Built to last for demanding applications.
- **Adjustable Tension:** Customisable holding strength for various door weights.
- **Smooth & Quiet Operation:** Ensures silent and effortless door closure.
- **Urban Dark Bronze Finish:** Elegant, durable, and versatile aesthetic.
