

Blum Antaro Light Grey Drawer Box Components (450mm W x 500mm NL x 91mm H) c/w 2 No. 32 Ltr Bins – 30kg

Variant code: TBK.45503.M.M.BIN.LG

Introducing the **Blum Antaro Light Grey Drawer Box**, a top-tier solution meticulously engineered for the discerning joiner, carpenter, and cabinetmaker. This comprehensive drawer system offers a perfect blend of **functionality, durability, and contemporary style**, ensuring a professional finish for any project.

Key Features and Benefits

- **Efficient Waste Management:** This drawer box is a game-changer for kitchen or workshop organization. It comes complete with **two 32-liter bins**, providing ample capacity for separating waste or recycling. This feature is a huge selling point for homeowners looking for **smart, integrated solutions** to their waste disposal needs.
- **Superior Build Quality:** The system features **Blum's Antaro technology**, renowned for its robust construction and clean, linear design. The **light grey finish** is both modern and versatile, seamlessly blending with a wide range of kitchen and furniture styles. The drawer sides are a sleek, minimalist design that conceals the running gear, offering a clean aesthetic.
- **Effortless Installation:** Designed for professionals, this product is **easy to assemble and install**. The pre-packaged components save you valuable time on the job site. The system is compatible with standard cabinet widths, making it a straightforward addition to new builds or renovations.
