

ASEC 15 4 Lever Cut Cupboard Lock – 64mm SB KD LH

Variant code: AS6506

ASEC 15 4-Lever Cupboard Lock

The **ASEC 15 4-Lever Cut Cupboard Lock** in a 64mm size with a satin brass finish is a **durable**, **reliable**, and **secure** locking solution for your cupboards and cabinets. This **high-quality** lock is designed for left-handed (LH) installation and is **keyed differently** (KD), meaning each lock comes with its own unique key, ensuring **maximum security** for your belongings.

Features & Benefits

This **4-lever lock** provides **enhanced security** compared to simpler locking mechanisms, making it an **ideal choice** for safeguarding valuables or restricted items. The **64mm body size** and **satin brass finish** not only provide robust protection but also offer a **classic, elegant look** that complements various furniture styles. Installation is **straightforward** and **easy**, making it a **convenient** choice for both professionals and DIY enthusiasts. The **cut cupboard lock design** allows for a seamless, flush fit, providing a **clean aesthetic**.
