Automatic Fire Door Keep Clear Sign – Self Adhesive Laminate (175 x 13mm)

Variant code: 2675.01

Automatic Fire Door Keep Clear Sign – Self Adhesive Laminate (175 x 13mm)

Ensure the reliable operation of your automatic fire doors and maintain crucial fire safety with our highly visible "Automatic Fire Door Keep Clear" sign. This essential safety signage clearly instructs individuals to keep the leading edge of the door unobstructed, preventing interference with its automatic closing mechanism in the event of a fire.

Crafted from durable 1.6mm self-adhesive laminate, this sign offers excellent longevity and ease of installation. The strong adhesive backing ensures a secure and permanent fix to the door surface. Its compact dimensions of 175mm x 13mm make it perfectly sized for placement on the leading edge of fire doors without being obtrusive.

The clear, bold lettering against a contrasting background ensures high visibility, even in low-light conditions. This helps to effectively communicate the critical message to building occupants and visitors, contributing to a safer environment and compliance with fire safety regulations.

Key Features:

- **Clear and Concise Message:** Prominently displays "Automatic Fire Door Keep Clear" for unambiguous instruction.
- **Essential Fire Safety:** Helps maintain the functionality of automatic fire doors, crucial for containing fire spread.
- **Durable Construction:** Made from robust 1.6mm self-adhesive laminate for long-lasting performance.
- **Easy Installation:** Self-adhesive backing allows for quick and secure application to the door.
- **Optimal Size:** Dimensions of 175mm x 13mm are ideal for placement on the leading edge of doors.
- **High Visibility:** Clear lettering and

contrasting background ensure the message is easily seen.
- **Regulatory Compliance:** Contributes to meeting fire safety standards and regulations.
- **Versatile Application:** Suitable for a wide range of commercial, industrial, and public buildings with automatic fire doors.

Benefits:

- **Enhances Fire Safety:** Clearly reminds people to keep the fire door's leading edge clear.
- **Ensures Door Functionality:** Prevents obstruction of the automatic closing mechanism.
- **Durable and Long-Lasting:** Withstands wear and tear in busy environments.
- **Simple to Install:** Saves time and effort with the self-adhesive backing.
- **Highly Visible:** Effectively communicates the important safety message.
- **Contributes to Compliance:** Helps meet fire safety regulations.
