

Blum Aventos Top Cover Cap Set – Suitable for HL/HF/HS Lift Systems – Dark Grey

Variant code: 22.8000DG

Enhance Your Blum Aventos Lift System with the Official Dark Grey Top Cover Cap Set

Upgrade the aesthetic of your Blum Aventos HL, HF, or HS lift system with our premium **Aventos Top Cover Cap Set in Dark Grey**. This genuine Blum accessory provides a sleek, finished look, concealing the internal mechanisms of your lift-up cabinet doors.

Key Features:

- **Perfect Compatibility:** Designed specifically for Blum Aventos HL, HF, and HS lift systems, ensuring a precise and secure fit.
- **Stylish Dark Grey Finish:** Adds a modern and sophisticated touch to your kitchen, bathroom, or furniture design. The dark grey colour complements a wide range of interior styles.
- **Genuine Blum Quality:** Manufactured to the highest standards, guaranteeing durability and long-lasting performance.
- **Easy Installation:** Simple snap-on design allows for quick and effortless installation, instantly improving the appearance of your cabinets.
- **Conceals and Protects:** Effectively covers the lift system components, providing a clean and tidy appearance while also protecting them from dust and debris.
- **Complete Set:** Includes all necessary cover caps for a complete installation.

Why Choose This Aventos Top Cover Cap Set?

If you're looking to elevate the visual appeal of your Blum Aventos lift system, this Dark Grey Top Cover Cap Set is the ideal solution. It's perfect for:

- Kitchen renovations and upgrades
- Bathroom cabinet enhancements
- Furniture manufacturing and customisation
- Replacing damaged or worn-out cover caps
