

Bathroom Turn & Release – DBMA

Variant code: 6354.DBMA

A **high-quality Bathroom Turn and Release** (also known as a thumb turn lock or indicator bolt) offers a simple yet essential privacy solution for your bathroom or WC. This robust and user-friendly mechanism allows for quick and easy locking from the inside, providing peace of mind and security when needed.

Key Features and Benefits:

- **Enhanced Privacy:** Clearly indicates whether the room is occupied, preventing accidental interruptions. The intuitive turn mechanism allows for effortless locking and unlocking.
- **Easy to Use:** The simple thumb turn design is accessible for all ages and abilities. A clear indicator (often red/green) provides a visual confirmation of the lock's status.
- **Durable and Reliable:** Constructed from **high-quality materials** such as **solid brass, stainless steel**, or durable zinc alloys, ensuring long-lasting performance and resistance to wear and tear in a bathroom environment.
- **Universal Design:** Available in a variety of stylish finishes, including **polished chrome, satin nickel, antique brass, and black**, to complement any bathroom door hardware and aesthetic.
- **Easy Installation:** Designed for straightforward fitting to most standard bathroom doors. Often comes with all necessary fixings and clear instructions for DIY installation.
- **Safety Feature:** Many designs incorporate an **emergency release** mechanism on the exterior, allowing access in case of an emergency. This provides added safety, especially for households with children or elderly individuals.
- **Versatile Application:** Ideal for use on bathroom doors, toilet doors, shower room doors, and any other internal door where privacy is required.
- **Cost-Effective Security:** A simple and affordable way to enhance privacy

without the need for complex locking systems.

- **Modern and Traditional Styles:** Available in both contemporary and traditional designs to seamlessly integrate with your existing door furniture.
- **Corrosion Resistant:** Specifically designed to withstand the humid conditions of a bathroom environment, ensuring a long lifespan and maintaining its aesthetic appeal.

This **Bathroom Turn and Release** is a practical and stylish addition to any bathroom, providing essential privacy and security with ease of use and lasting durability. Choose from our wide selection of finishes to perfectly match your bathroom decor.
