Blum 107° Compact Face Frame Hinge

Variant code: 38B355AF22

Blum 107° Compact Face Soft Close Frame Hinge: The Ultimate Solution for Seamless Cabinetry

Upgrade your framed cabinets with the premium Blum 107° Compact Face Soft Close Frame Hinge, engineered for superior functionality, durability, and a sleek aesthetic. This high-quality hinge is the ideal choice for homeowners, cabinet makers, and DIY enthusiasts looking for a reliable and aesthetically pleasing soft-closing solution.

Key Features & Benefits:

- **107° Opening Angle:** Provides ample access to your cabinet contents, making it easy to store and retrieve items.
- **Compact Face Frame Design:** Specifically designed for face frame cabinetry, ensuring a clean, flush appearance without bulk. This compact form factor is perfect for maintaining the integrity of your cabinet's design.
- **Integrated Blumotion Soft Close:** Experience the luxury of silent and effortless door closure. The integrated Blumotion mechanism prevents slamming, protecting your cabinet doors from wear and tear while adding a touch of sophistication to your kitchen, bathroom, or furniture.
- **Clip-On Technology:** Enjoy quick and tool-free installation and removal of cabinet doors, simplifying assembly and making cleaning or adjustments a breeze. This innovative feature saves you time and effort.
- **3-Dimensional Adjustment:** Achieve perfect door alignment with easy cam adjustments for depth, height, and side. This precise adjustability ensures a flawless fit and consistent reveals for all your cabinet doors.
- **Durable Nickel-Plated Steel Construction:** Crafted from robust, nickel-plated steel, this hinge offers exceptional strength, corrosion resistance, and long-lasting performance, even in high-moisture environments.

- **Self-Closing Functionality:** In addition to the soft-close feature, the hinge also provides a positive self-closing action, ensuring your cabinet doors remain securely shut.
- **Versatile Application:** Ideal for a wide range of face frame cabinet applications, including kitchen cabinets, bathroom vanities, wardrobe doors, and other furniture where a compact, soft-closing solution is desired.
- **Trusted Blum Quality:** As a leading manufacturer of cabinet hardware, Blum is renowned for its innovative designs, precision engineering, and commitment to quality. When you choose Blum, you're investing in reliable, top-tier performance.

Why Choose the Blum 107° Compact Face Soft Close Frame Hinge?
This Blum hinge stands out for its seamless integration of soft-close technology into a compact face frame design. Unlike bulky alternatives, it maintains the clean lines of your cabinetry while providing superior functionality. Its robust construction ensures years of trouble-free operation, and the easy adjustability means you can achieve a professional finish with minimal effort. Enhance the longevity and aesthetics of your cabinets with this essential hardware upgrade.
