

Blum Revego 3 Uno & Duo – Scuff Guard – Black

Variant code: 801ZA00S-B

Blum Revego 3 Uno & Duo Scuff Guard – Black: Ultimate Protection for Your Concealed Pocket Doors

Elevate the longevity and pristine appearance of your Blum Revego pocket door systems with the essential Blum Revego 3 Uno & Duo Scuff Guard in sleek black. Designed specifically for seamless integration with both REVEGO Uno (single door) and REVEGO Duo (double door) configurations, this innovative accessory provides unparalleled protection against unsightly wear and tear, ensuring your premium concealed doors operate flawlessly for years to come.

Key Features & Benefits for a Superior Experience:

- **Optimised Protection:** Crafted from durable, high-quality nylon, this scuff guard acts as a vital barrier, preventing friction and potential damage to your valuable door fronts as they glide smoothly into and out of their hidden pockets. Say goodbye to scratches, abrasions, and premature wear, preserving the aesthetic appeal of your cabinetry.
- **Seamless Integration:** Engineered by Blum, a leader in innovative motion technologies, this scuff guard is a genuine accessory that perfectly complements the sophisticated design of the REVEGO system. Its black finish ensures a discreet and elegant appearance, blending effortlessly with your existing hardware and cabinetry.
- **Enhanced Durability:** The REVEGO system is renowned for its exceptional durability, undergoing rigorous testing for 40,000 opening and closing cycles. By adding the scuff guard, you further contribute to this robust performance, providing an extra layer of resilience against daily use.
- **Easy Installation:** Designed for straightforward fitting, this scuff guard can be quickly and securely installed, ensuring your REVEGO system is

protected without complicated procedures. It's a simple yet highly effective upgrade.

- **Maintain Aesthetic Perfection:** With the REVEGO system, entire living spaces can be opened up and then discreetly concealed. This scuff guard helps maintain that flawless "magic away" effect by protecting your beautiful door fronts from everyday contact, keeping them looking pristine.
- **Genuine Blum Quality:** As a genuine Blum accessory (often identified by part number 801ZA00S for Uno/Duo applications), you can be confident in its superior quality, precise fit, and long-lasting performance, aligning with the high standards of your REVEGO pocket door system.

Invest in the Blum Revego 3 Uno & Duo Scuff Guard – Black today and safeguard your investment in intelligent, space-saving design. It's the smart choice for preserving the beauty and functionality of your modern concealed pocket door applications.
