

Blum Revego 3 UNO – Pocket Connector Set For Worktop-Mounted – Right Hand

Variant code: 801V705B.R3

Blum REVEGO 3 UNO Right-Hand Pocket Connector Set

The **Blum Revego 3 UNO** – Pocket Connector Set for Worktop-Mounted (Right Hand) is the **ultimate solution** for **maximising space** and achieving a **clean, minimalist aesthetic** in your kitchen or workspace. This **innovative right-hand fitting** offers a **smooth, synchronised transition** for single, worktop-mounted cabinet fronts, allowing them to **effortlessly glide** away and disappear into a dedicated side pocket.

Engineered for **durability** and **premium performance**, the Revego system utilises **advanced technology** to ensure **reliable operation** and **superior convenience**. Key features include **intuitive push-to-open** and **push-to-close** functionality, combined with **integrated soft-close BLUMOTION** for a silent, gentle closing action. Ideal for **high-end kitchen designs, versatile living areas**, or any project demanding **sleek concealment**, this **premium pocket system** guarantees **quick installation** and **long-term reliability**. Upgrade your furniture design today with this **essential, space-saving connector set**.
