Variant code: 802V780B.L3

Introducing the **Blum REVEGO DUO Pocket Connector (Set)**, a revolutionary solution designed to elevate your kitchen's functionality and aesthetics. This innovative connector system is specifically engineered for **worktop-mounted cabinets**, offering a sleek, seamless, and space-saving design. Crafted for the modern home, this **Left Hand** configuration in a sophisticated **Black** finish seamlessly integrates into any contemporary kitchen, delivering both style and superior performance.

Effortless Integration & Unmatched Convenience

The REVEGO DUO Pocket Connector is the key to creating a truly hidden kitchen. It allows you to conceal entire cabinet sections behind beautifully integrated doors that, when opened, "pocket" or slide smoothly away into the cabinet side. This innovative feature frees up valuable floor and worktop space, creating an open, clutter-free environment. No more swinging doors getting in the way—just pure, uninterrupted flow.

Premium Quality & Durability

Constructed with Blum's legendary precision engineering, this connector set is built to last. The robust mechanism ensures smooth, quiet, and reliable operation for years to come. The elegant **Black** finish is not only stylish but also durable and easy to clean, resisting scratches and fingerprints. This premium product is an investment in the long-term quality and functionality of your kitchen.

Key Features for a Superior Kitchen Experience:

- **Space-Saving Design:** The "pocketing" action of the doors means no more obstructed walkways or cramped cooking spaces.
- **Sleek & Minimalist Aesthetics:** Creates a clean, minimalist look by concealing appliances and storage. The sophisticated Black finish adds a touch of

modern luxury.

- **Smooth & Silent Operation:** Blum's soft-close technology ensures the doors glide open and shut with a whisper, adding a touch of luxury to your daily routine.
- **Easy Installation:** Designed for a straightforward and efficient installation process on your worktop-mounted cabinets.
- **High-Quality Blum Engineering:** A name synonymous with excellence, guaranteeing a product that is reliable, durable, and designed for daily use.
