

Blum Revego Duo Pocket Profile set – NL 750mm – Left

Variant code: 802P750D.L3

The ultimate in kitchen and living space innovation: the Blum REVEGO Duo Pocket System.

The Blum REVEGO Duo Pocket System is a revolutionary new cabinet system that combines the sleek, minimalist look of a handleless kitchen with the convenience and functionality of a traditional cabinet. It's the perfect solution for anyone who wants a modern, stylish kitchen that's also easy to use and maintain.

The REVEGO Duo Pocket System is a single-door, full-height cabinet that features a unique, integrated pocket system. This system allows you to easily store and access your kitchen essentials without having to open multiple doors or drawers.

The REVEGO Duo Pocket System is made from high-quality materials and features a durable, scratch-resistant finish. It's also easy to clean and maintain, so you can keep your kitchen looking its best for years to come.

Here are just a few of the benefits of the Blum REVEGO Duo Pocket System:

- **Sleek, minimalist design:** The REVEGO Duo Pocket System is the perfect solution for anyone who wants a modern, stylish kitchen.
