

Blum Revego Pocket System – Duo – Hinge Bracket Set, For Pocket Height –1142–1356 mm – Right Hand

Variant code: 802T1140.R3

Elevate your space with the **Blum Revego Pocket System – Duo – Hinge Bracket Set**, an innovative and space-saving solution for creating functional living areas. This **right-hand** set, designed for a **pocket height of 1142–1356 mm**, seamlessly integrates doors into cabinetry or walls, making them disappear when not in use.

Unleash Your Design Potential

The Revego system offers a revolutionary approach to room design, allowing you to **maximise every inch** of your home. It's perfect for creating multi-functional spaces, such as a home office that can be hidden away when guests arrive, or a kitchen pantry that blends into the wall. The **Duo** configuration is ideal for applications requiring two doors to retract into a single cabinet or wall pocket.

Superior Quality & Performance

Crafted with Blum's renowned precision, this hinge bracket set ensures **smooth, quiet operation** and **exceptional durability**. The robust construction guarantees **long-lasting reliability**, while the clever engineering provides a **flawless, effortless user experience**. The **intuitive design** makes installation straightforward for both professionals and DIY enthusiasts.

Key Features & Benefits

- **Space-Saving Innovation:** Hides doors completely, freeing up valuable floor space.
- **Aesthetic Appeal:** Creates a clean, minimalist look with seamless integration.
- **Easy Access:** Doors glide smoothly and quietly, offering effortless access to the contents within.

- **High-Quality Construction:** Built to last with Blum's superior engineering and materials.
- **Right-Hand Configuration:** Specifically designed for right-hand door applications.
- **Adjustable:** Accommodates pocket heights from 1142 to 1356 mm for a perfect fit.
