

Blum Revego Pocket System – Duo – Hinge Bracket Set – For Pocket Height –1142–1356 mm – Left Hand

Variant code: 802T1140.L3

Introducing the **Blum REVEGO pocket system**, a revolutionary solution for modern living spaces. This **DUO** model, specifically designed for a **left-hand** configuration, offers a seamless and elegant way to conceal cabinetry and create flexible, multi-functional rooms. The **Hinge Bracket Set** is tailored for a pocket height of **1142–1356 mm**, making it a perfect fit for a wide range of interior projects.

Key Features and Benefits

The REVEGO pocket system redefines spatial design by allowing you to completely hide furniture and appliances behind a single, sleek panel. With the **Blum REVEGO pocket system**, you can effortlessly transform a kitchen into a living room or a home office into a guest space. The system's **intuitive and smooth operation** ensures ease of use, while the **integrated soft-close BLUMOTION** technology provides a silent and gentle closing action.

The **Duo** configuration is ideal for creating larger, hidden spaces, providing a professional and clean finish. The **left-hand** opening mechanism is specifically designed for convenience and accessibility in various layouts. Constructed from **high-quality, durable materials**, this hinge bracket set guarantees long-lasting performance and reliability. Its **innovative design** allows for a flush finish, creating a minimalist aesthetic that blends seamlessly with any modern interior.
