Unlock Seamless Design with the Blum Revego Uno Pocket Profile Set – 500mm – Left Hand

The Illusion of More Space: In smaller rooms, the space-saving nature of pocket doors is a game-changer. When open, the doors don't encroach into the room, visually expanding the usable area and making the entire space feel more open and airy. This clever use of space naturally catches the eye. This sophisticated hardware solution allows you to effortlessly conceal single doors weighing up to 25 kg within a discreet side pocket when open, creating a clean, minimalist aesthetic and maximising usable space. Specifically designed for **left-hand applications** and accommodating a **door width of 500mm**, this premium-quality set provides smooth, quiet, and reliable operation for a variety of interior doors.

Key Features and Benefits:

- **Space-Saving Design:** The intelligent **pocket door system** completely hides the door within the cabinet or wall cavity when open, freeing up valuable floor space and improving room flow. Ideal for kitchens, living areas, offices, and anywhere space optimisation is crucial.
- **Effortless Operation:** Experience the renowned Blum quality with a smooth and light opening and closing action. The integrated **soft-close mechanism** ensures gentle and silent door closure, preventing slamming and enhancing user comfort.
- **Clean and Minimalist Aesthetics:** Achieve a sleek, uncluttered look with no visible door protruding into the room. The Revego Uno seamlessly integrates into modern and contemporary designs.
- **High-Quality Blum Engineering:** Built with precision and durability in mind, this **Blum hardware** guarantees long-lasting performance and reliability. Invest in a solution that will stand the test of time.
- **Specifically for Left-Hand Doors:** This set is precisely engineered for **left-hand**

opening doors, ensuring optimal functionality and ease of installation for this specific configuration.

- **Designed for 500mm Door Width:** This profile set is perfectly sized for doors with a **500mm width**, guaranteeing a precise and secure fit.
- **Complete Profile Set:** This package includes all the necessary **profiles** and components required for a complete installation (please refer to the installation instructions for a detailed list of contents).
- **Easy Installation (Professional Recommended):** While designed for straightforward integration, professional installation is recommended to ensure optimal performance and safety. Detailed installation instructions are provided.
- **Versatile Applications:** Suitable for a wide range of internal doors, including room dividers, pantry doors, wardrobe doors, and more.

Transform your living space with the Blum Revego Uno Pocket Profile Set – 500mm – Left Hand and enjoy the perfect blend of functionality, elegance, and space-saving design.
