

BTS84 Floor Spring Cover Plate – Satin Stainless Steel

Variant code: 46700022

BTS84 Floor Spring Cover Plate – Satin Stainless Steel: Enhance Your Entrance with Style & Durability

Refine the aesthetics and functionality of your doors with the premium BTS84 Floor Spring Cover Plate, meticulously crafted from high-quality satin stainless steel. This essential component seamlessly conceals your floor spring mechanism, providing a clean, contemporary finish that complements any modern interior or exterior design.

Unmatched Quality & Enduring Performance:

Engineered for longevity, the BTS84 cover plate boasts superior resistance to corrosion, tarnishing, and daily wear and tear. Its robust satin stainless steel construction ensures it will maintain its sophisticated appearance even in high-traffic commercial environments or busy residential settings. The sleek satin finish not only adds a touch of understated elegance but also minimises the appearance of fingerprints and smudges, keeping your entrance looking pristine with minimal effort.

Seamless Integration & Easy Installation:

Designed for optimal compatibility, this cover plate is specifically tailored for BTS84 floor springs, ensuring a perfect fit and hassle-free installation. Its precise dimensions and pre-drilled holes allow for quick and secure attachment, saving you valuable time and effort during fitting. Whether you're a professional installer or a DIY enthusiast, you'll appreciate the simplicity and efficiency this cover plate offers.

Key Features & Benefits:
