

Burlington Inner 3 – Bathroom Turn & Release on Plain Rose – 5mm Spindle – Polished Nickel

Variant code: BUR-81PN-50PN

Burlington Inner 3 – Bathroom Turn & Release on Plain Rose – 5mm Spindle

Experience the perfect blend of classic elegance and modern functionality with the Burlington Inner 3 Bathroom Turn & Release. Crafted for discerning homeowners, this premium quality bathroom lock offers both privacy and peace of mind, all while enhancing the aesthetic appeal of your bathroom door.

Key Features & Benefits:

- **Premium Quality Burlington Craftsmanship:** Part of the esteemed Burlington range, this turn and release set is manufactured to the highest standards, ensuring exceptional durability and a luxurious feel. Experience the difference of superior engineering and long-lasting performance.
- **Solid Brass Construction:** Made from high-grade solid brass, the Inner 3 boasts a substantial weight and a premium touch. This robust material guarantees longevity and resistance to corrosion, even in humid bathroom environments.
- **Elegant Plain Rose Design:** The minimalist yet sophisticated plain rose offers a timeless aesthetic that complements a wide array of interior styles, from traditional to contemporary. Its understated elegance ensures it will seamlessly integrate with your existing décor.
- **Smooth & Reliable Turn & Release Mechanism:** Designed for effortless operation, the turn and release mechanism provides a secure lock for privacy when needed, and a simple emergency release from the outside for safety. The smooth action ensures a comfortable user experience every time.

- **Standard 5mm Spindle:** This set comes equipped with a standard 5mm spindle, making it compatible with most conventional bathroom mortice locks and simplifying installation.
- **Versatile Finishes Available:** (*Please note: You will need to specify available finishes here. Examples below*) Available in a range of stunning finishes such as Polished Nickel, Matt Black, Antique Brass, and Chrome, allowing you to perfectly match your existing door hardware or create a striking contrast.
- **Enhanced Bathroom Privacy:** Provides a clear indication of "engaged" or "vacant," offering essential privacy for your bathroom or WC.
- **Easy Installation:** Designed for straightforward fitting on standard bathroom doors, making it a suitable choice for both new installations and renovation projects.
- **Ideal for Residential & Commercial Use:** Its robust construction and reliable operation make it suitable for both domestic settings and light commercial applications.

Why Choose the Burlington Inner 3 Bathroom Turn & Release?

The Burlington Inner 3 isn't just a functional piece of hardware; it's an investment in quality, style, and peace of mind. Its classic design, combined with robust construction, ensures it will remain a beautiful and reliable feature in your home for years to come. Perfect for bathroom doors, en-suites, and WC facilities, it offers the essential privacy and safety you need with an undeniable touch of luxury.
