

Button-fix™ – Type 2 – Compact Push-on Bracket only – Pack of 100

Variant code: 171-040-1

The **Button-fix™ Type 2 Compact Push-On Bracket (Fix Only)** is a professional concealed fixing component designed to provide a fast, secure and completely hidden method of mounting removable panels. Supplied as a **pack of 100 brackets**, this compact fixing forms part of the Button-fix™ concealed panel system and is used in conjunction with compatible **Button-fix™ Buttons** (sold separately) to create a reliable push-on connection for architectural, furniture and commercial applications.

Its compact footprint makes it ideal where installation space is limited, while the simple **push-on/pull-off** engagement allows panels to be installed quickly without tools and removed easily for maintenance or service access. Manufactured from high-performance engineering polymer, the Type 2 Compact Bracket provides excellent durability, secure panel retention and a clean, invisible finish.

Perfect for professional joinery, exhibition displays, access panels and bespoke interiors, the Button-fix™ Type 2 Compact Push-On Bracket delivers rapid installation with dependable long-term performance.

Product Features

- Genuine Button-fix™ Type 2 Compact Push-On Bracket
- Supplied as a pack of 100
- Fix component only (Buttons sold separately)
- Compact design for space-restricted installations
- Push-on / pull-off concealed fixing system
- Completely hidden once installed
- Manufactured from high-performance engineering polymer
- Screw-fixed installation (screws not included)
- Suitable for removable panel applications
- Provides secure, rattle-free engagement
- Made for professional installations

Product Benefits

- **Compact design is ideal where installation space is limited**
- **Creates a completely concealed fixing for a clean, premium finish**
- **Push-on engagement enables fast installation and simple panel removal**
- Provides a secure and stable connection without visible fixings
- Ideal for removable access panels and service hatches
- Durable engineering polymer ensures reliable long-term performance
- Suitable for both commercial manufacturing and bespoke joinery
- Bulk pack of 100 is ideal for production environments and larger projects
