

Corston Hyde Hook

Variant code: 12887

The **Corston Hyde Hook** is a meticulously crafted piece of solid brass hardware, embodying a **simple yet elegant and minimalist design**. This **high-quality hook** is part of the esteemed Corston Architectural Detail range, known for its **exceptional craftsmanship and timeless style**.

Available in a selection of sophisticated finishes, including **classic antique brass**, **rich bronze**, and **modern polished nickel**, the Hyde Hook offers versatility to complement a wide array of interior design aesthetics. The **antique brass finish** is particularly noteworthy as a "living" finish, meaning it will develop a beautiful, unique patina over time, especially in areas of frequent touch, enhancing its **vintage charm**.

The Hyde Hook's compact size makes it ideal for various applications throughout the home. It's perfectly suited for **discreet use inside cupboards** for hanging lightweight items or can be used in **groups on walls** to create stylish and functional storage solutions. Imagine them neatly holding **coats, towels, dressing gowns, keys, dog leads**, or even displaying kitchen utensils and accessories. Its **robust solid brass construction** ensures durability and longevity, making it a reliable addition to any space.

Installation is straightforward, with **matching screws and fixings included**. The hook features a **concealed fixing design**, resulting in a clean and seamless look once mounted. With a base diameter of 55mm and a projection of 62mm, it offers a practical hanging depth without being obtrusive.

In summary, the Corston Hyde Hook is a **premium, solid brass hook** with a **simple yet stylish design**, available in **antique brass, bronze, and polished nickel finishes**. Its **durability, ease of installation**, and suitability for various uses make it a sought-after piece of **high-quality interior hardware**.
