

## Door Closer with Backcheck – Size 2-4 – Semi Radiused Cover – Antique Brass

Variant code: FL3241.AB

### Premium Door Closer with Backcheck – Size 2-4 – Semi-Radiused Cover – Antique Brass Finish

Experience superior door control and sophisticated style with our high-performance door closer, featuring a beautiful antique brass finish and essential backcheck functionality. Designed for both residential and commercial applications, this adjustable size 2-4 closer offers reliable operation, enhanced safety, and a touch of timeless elegance.

#### Unparalleled Control & Safety:

- **Adjustable Power Size 2-4:** This versatile door closer allows you to easily customise the closing force to suit various door weights and sizes, from lightweight internal doors to heavier external doors. Achieve optimal closing speed and latching action with simple adjustments, ensuring smooth and consistent operation every time.
- **Integrated Backcheck Functionality:** Protect your door and surrounding walls from damage caused by forceful opening. The innovative backcheck feature provides a hydraulic cushioning effect when the door is opened rapidly, preventing it from slamming into adjacent surfaces or people. This is particularly crucial in high-traffic areas or where there's a risk of accidental forceful opening.
- **Controlled Closing & Latching:** Enjoy a consistent and controlled closing cycle, preventing slamming and extending the lifespan of your door and frame. The adjustable latching speed ensures the door securely engages with the strike plate, providing peace of mind and enhanced security.

### Elegant Design & Durable Construction:

- **Semi-Radiused Cover:** The sleek and modern semi-radiused cover not only conceals the internal mechanisms for a clean aesthetic but also adds a touch of contemporary design that complements any décor.
- **Luxurious Antique Brass Finish:** Elevate the look of your entryway with the rich and warm antique brass finish. This classic and sophisticated hue adds a touch of vintage charm and elegance, making it a perfect choice for traditional and transitional interiors alike. The durable finish is designed to resist tarnishing and maintain its beauty for years to come.
- **Robust & Reliable:** Constructed from high-quality materials, this door closer is built to withstand rigorous daily use and provide long-lasting performance. Its robust design ensures dependable operation in various environments.

### Easy Installation & Versatile Application:

- **Surface Mounted:** Designed for straightforward surface mounting, this door closer can be easily installed on most door types without complex modifications. All necessary fixings are included for a hassle-free setup.
- **Versatile Use:** Ideal for a wide range of applications, including:
  - Residential homes
  - Offices and commercial buildings
  - Retail stores
  - Public spaces
  - Hotels and hospitality
  - Educational institutions

### Key Features & Benefits:

- **Adjustable Closing Force (Size 2-4):**  
Customisable for diverse door weights.
- **Hydraulic Backcheck:** Protects doors and walls from damage.
- **Controlled Closing & Latching:** Smooth, quiet, and secure operation.
- **Semi-Radiused Cover:** Modern and discreet aesthetic.
- **Antique Brass Finish:** Elegant, durable, and resistant to tarnishing.
- **Durable Construction:** Built for long-term reliability.
- **Surface Mounted:** Easy and quick installation.
- **Enhanced Safety & Security:** Prevents slamming and ensures proper closure.
- **Fire Rated (Check local regulations for specific fire door compliance):**  
Designed to meet performance standards often required for fire-rated doors.

**Invest in a door closer that combines superior functionality with timeless design. The Door Closer with Backcheck – Size 2-4 – Semi-Radiused Cover – Antique Brass is the perfect choice for those seeking reliable door control, enhanced safety, and a touch of sophisticated style.**
