Double Ringed Pull Handle – Antique Bronze (Fixing Centre 160mm)

Make your cabinetry and furniture with the timeless elegance of our Double Ringed Pull Handle in a rich Antique Bronze finish. This exquisitely crafted handle, featuring a sophisticated double-ring design, offers a perfect blend of classic aesthetics and robust functionality, making it an ideal choice for a variety of interior styles, from traditional to contemporary farmhouse.

Key Features & Benefits:

- **Distinctive Double Ring Design:** The unique double-ring detailing provides a touch of refined sophistication and visual interest, setting it apart from standard pull handles.
- **Premium Antique Bronze Finish:** The warm, lustrous antique bronze finish is carefully applied to create a distressed, aged appearance that exudes vintage charm and character. This versatile finish complements a wide array of wood tones and color palettes.
- **Solid & Durable Construction:** Crafted from high-quality materials, this pull handle is built for longevity and everyday use. Its solid construction ensures a comfortable and sturdy grip.
- **Optimal 160mm Fixing Centre:** With a fixing centre of 160mm, this handle is a popular and standard size, making it suitable for a wide range of kitchen cabinets, drawers, wardrobe doors, and other furniture pieces. (Please ensure to measure your existing holes or plan accordingly for new installations.)
- **Versatile Application:** Perfect for kitchen renovations, bathroom vanities, bedroom furniture upgrades, living room cabinet enhancements, and DIY projects.
- **Easy Installation:** Designed for straightforward fitting, this pull handle comes with all necessary fixing screws,

allowing for quick and hassle-free
installation on your chosen surfaces.
