

Edge Lever on Rose Handle 51mm Rose – 119mm – Matt Black

Variant code: SZM210MB

Edge Lever on Rose Handle – 51mm Rose, 119mm Lever – Matt Black

Transform your interiors with the sleek, contemporary style of the Edge Lever on Rose Handle in Matt Black. This premium door handle combines robust durability with a minimalist design, making it the perfect choice for modern homes, commercial spaces, and sophisticated renovations.

Key Features & Benefits for a Superior Door Experience:

- **Modern Matt Black Finish:** Elevate your décor with the highly sought-after matt black finish. This bold and elegant aesthetic creates a striking contrast against any door colour or interior palette, from minimalist white to warm wood tones, offering a truly sophisticated and on-trend look. It's also less prone to showing fingerprints and smudges than polished finishes, ensuring a consistently clean appearance.
- **Concealed Fixings for a Seamless Look:** The intelligent 51mm round rose design features a concealed two-part screw-on rose. This innovative design hides all fixings, providing a flawlessly flush and ultra-modern finish that enhances the clean lines of any door.
- **Ergonomic & Robust Design:** Crafted for comfort and longevity, the 119mm lever boasts a flat, rectangular profile that allows for an ergonomic and comfortable grip. Its heavy, robust construction ensures exceptional durability, making it ideal for high-traffic domestic and commercial environments.
- **Built to Last:** Manufactured from high-quality zinc alloy, this handle is designed to withstand daily use and resist corrosion and wear. Back-to-back bolts ensure a solid and secure fit to your door, preventing loosening over time.
- **Fire Door Rated (FD30/60):** Offering

enhanced safety, this handle is fire door rated, providing peace of mind for both residential and commercial applications where fire safety is a priority. (Always check specific fire door requirements for your project.)

- **Versatile Application:** Suitable for a wide range of internal doors throughout your home or office. Combine with a tubular latch for standard internal doors, a mortice sashlock and escutcheon for locking doors, or a bathroom lock and turn-and-release for privacy.
- **Easy Installation:** Designed for straightforward fitting, this lever on rose handle is supplied as a pair with a square spindle bar and all necessary bolt-through fixings, making it a DIY-friendly upgrade.
