Fixing Support for DS30, Cabinet Door Side - Pack of 2

Variant code: 50DS30SUPFX30/D

The **DS30 Cabinet Door Fixing Support** is a genuine mounting accessory designed for use with **DS30 Invisible Soft Closing Heavy Duty Hinges**. Installed on the cabinet door side, these fixing supports provide a secure and reliable mounting point, ensuring correct hinge installation and long-lasting performance.

Manufactured for compatibility with the DS30 concealed hinge system, each pack includes both **Nickel** and **Black machine screws**, allowing the fixing hardware to match the selected hinge finish. Supplied as a convenient **pack of 2**, these supports are ideal for new installations, replacements or bespoke furniture manufacture.

Designed for professional cabinet makers and furniture manufacturers, the DS30 Cabinet Door Fixing Supports provide a precise and durable solution for installing DS30 concealed soft closing hinges.
