

Gio Large Pull Handle – Bolt through – 457mm c/c – Matt Black

Variant code: V1238-484-MB

Gio Large Pull Handle – Bolt Through – 457mm c/c – Matt Black

Transform your entryway with the bold, modern statement of the Gio Large Pull Handle in a striking Matt Black finish.

Elevate the aesthetics and functionality of your doors with our premium Gio Pull Handle. This oversized, contemporary handle is meticulously crafted to add a touch of sophistication and architectural flair to any space. The deep, rich Matt Black finish is not just a trend—it's a timeless choice that complements a wide range of door colours and materials, from natural timber and sleek composites to crisp white uPVC and dark metal.

Superior Quality & Robust Construction:

Engineered for both style and durability, the Gio handle is made from high-grade stainless steel, ensuring it can withstand the rigours of daily use in both residential and commercial settings. The 'bolt through' fixing method provides an exceptionally secure and stable installation, preventing any loosening over time and offering a solid, reassuring feel every time the door is opened.

Perfect Proportions for a Grand Entrance: With a substantial center-to-center (c/c) measurement of 457mm, this large pull handle is perfectly proportioned for grand entrance doors, sliding patio doors, or even large wardrobe and cabinet doors. Its considerable length creates a powerful visual impact, drawing the eye and making a confident design statement. The ergonomic design ensures a comfortable and natural grip for people of all ages.

Key Features & Benefits:

- **Architectural Appeal:** A large, linear design that provides a sophisticated, contemporary aesthetic.
- **Premium Matt Black Finish:** A durable, powder-coated finish that resists fingerprints, scuffs, and fading, ensuring a

flawless look for years to come.

- **Built to Last:** Constructed from solid stainless steel for superior strength and corrosion resistance.
- **Secure Installation:** The **bolt through** design offers the most reliable and sturdy fixing available, ideal for high-traffic areas.
- **Versatile Application:** Perfect for front doors, commercial entrances, barn doors, and oversized interior doors.
- **Easy to Install:** Comes with all the necessary fixing bolts for a straightforward installation on both timber and uPVC doors.

Why Choose the Gio Large Pull Handle?

Choosing the Gio handle is more than just a purchase; it's an investment in quality, style, and security. Its clean lines and minimalist form are the hallmarks of modern design, while its robust construction promises enduring performance. This is the ideal hardware for architects, designers, and homeowners seeking to achieve a high-end, bespoke finish.
