Variant code: 13234

Hawa 220 Planfront 70 – Set1 Panel – 400–1500mm – Left Hand

Revolutionise your space with the **Hawa 220 Planfront 70 – Set 1 Panel**, a sophisticated and **sleek** sliding door system designed for modern interiors. This **premium** left-hand set is engineered for **effortless** operation, providing a **seamless** and **space-saving** solution for a single-panel wooden door. Its **innovative** design allows the door to slide smoothly in front of the wall, creating a clean, **minimalist** aesthetic.

Key Features and Benefits

- Exceptional Durability and Performance:** Crafted from **high-quality** materials, the Hawa 220 Planfront 70 system guarantees **long-lasting reliability** and **smooth gliding action**. The robust components ensure the door operates silently and with minimal effort, day after day.
- Space Optimisation:** Perfect for areas where a traditional swinging door would be impractical, this **space-saving** solution maximises floor space and enhances room flow. It's an **ideal** choice for apartments, offices, and any interior where square footage is at a premium.
- Versatile and Adaptable:** This system is designed for a single wooden door panel with a width ranging from **400mm to 1500mm**, offering **flexibility** for various applications. Whether you're installing a new door or upgrading an existing one, the Hawa 220 Planfront 70 provides a **perfect fit**.
- Easy Installation:** The **comprehensive** set includes all the necessary components for a **straightforward** and **efficient** installation. The system's design simplifies the mounting process, making

it accessible for both professionals and DIY enthusiasts.

- **Modern Aesthetics:** With its **clean lines** and **hidden track system**, the Hawa 220 Planfront 70 creates a **contemporary, uncluttered** look. It seamlessly integrates into any modern decor, adding a touch of **elegance** and **sophistication** to your interior.
