

Hawa Acoustics Horizontal Seal Set XXL: 1350 –1470mm – Left Hand

Variant code: 31482

Introducing the **Hawa Acoustics Horizontal Seal Set XXL**, the definitive solution for achieving superior sound insulation and privacy in large-scale sliding door systems. Designed for doors measuring **1350–1470mm** and featuring a **left-hand** configuration, this seal set is a game-changer for architects, builders, and homeowners seeking to optimise their living and working environments.

Unmatched Performance and Durability

The Hawa Acoustics Horizontal Seal Set is engineered with precision to provide a seamless, airtight closure, effectively blocking unwanted noise, drafts, and light. Its robust construction ensures long-lasting performance, even with frequent use. The seal is made from high-quality materials that resist wear and tear, guaranteeing a durable and reliable solution for years to come. This product is a testament to Swiss engineering excellence, offering a level of quality that is second to none.

Easy Installation and Versatile Application

With its user-friendly design, the Hawa Acoustics Horizontal Seal Set XXL is remarkably easy to install, saving you time and effort. The clear, detailed instructions and pre-cut components ensure a hassle-free setup, making it suitable for both professional installers and DIY enthusiasts. This versatile product is ideal for a wide range of applications, including:

- **Residential spaces:** Enhance the tranquility of bedrooms, home offices, and living rooms.
- **Commercial environments:** Improve privacy and concentration in boardrooms, offices, and conference rooms.
- **Hospitality industry:** Create a serene and comfortable atmosphere in hotels and resorts.
