HAWA Aperto 60 H - Single Top track - Anodized Aluminium - 4300mm

Variant code: 17529.4300

HAWA Aperto 60 H Single Top Track - Anodized Aluminium - 4300mm

???????This premium sliding door track system is the perfect solution for creating seamless, space-saving, and aesthetically pleasing interior partitions.

Key Features:

- **Premium Quality Anodized Aluminium:** Crafted from high-grade anodized aluminium, this top track is not only lightweight but also exceptionally durable and resistant to corrosion, ensuring a long-lasting and reliable performance.
- **Precision Engineering:** Designed with meticulous attention to detail, the HAWA Aperto 60 H track provides a smooth, silent, and effortless sliding motion for your doors, enhancing the user experience.
- **Single Track System:** This single top track is ideal for single-door applications, providing a clean and minimalist look that complements modern architectural designs.
- **Optimal Length:** At 4300mm, this track is suitable for a wide range of door sizes and can be easily cut to the desired length, offering flexibility in installation.
- **Easy Installation:** The HAWA Aperto 60 H system is designed for straightforward installation, making it a preferred choice for both professionals and DIY enthusiasts.
- **Sleek and Modern Design:** The anodized aluminium finish gives the track a sophisticated and contemporary look that seamlessly integrates into any interior, from residential homes to commercial spaces.
- **Versatile Applications:** Ideal for a variety of uses, including closet doors, room dividers, pocket doors, and more, this system offers a versatile solution for optimising your living or working space.
