# HAWA Aperto 60 H - Single Top track - Anodized Aluminium - 3800mm

**Variant code: 17529.3800**

## HAWA Aperto 60 H Single Top Track - Anodized Aluminium - 3800mm.

This premium sliding door track system is engineered for exceptional performance, durability, and aesthetic appeal. Designed by the renowned Swiss brand HAWA, the Aperto 60 H is the perfect solution for creating seamless, modern, and space-saving sliding door installations in both residential and commercial settings.

**Key Features & Benefits:**

- **Premium Quality & Durability:** Crafted from high-grade anodized aluminium, this single top track offers superior resistance to corrosion, scratches, and wear. The 3800mm length provides ample material for various door sizes, ensuring a robust and long-lasting installation.
- **Smooth & Silent Operation:** The HAWA Aperto 60 H system is renowned for its effortless and quiet sliding action. The precision-engineered track and compatible roller hardware (sold separately) ensure a smooth glide, making it ideal for creating serene and functional living spaces.
- **Sleek, Modern Design:** The anodized aluminium finish provides a clean, contemporary look that complements any interior design. Its minimalist profile ensures the focus remains on your beautiful sliding doors, not on the hardware.
- **Versatile Application:** The Aperto 60 H is suitable for a wide range of door materials, including timber, MDF, and particleboard. It is perfect for single sliding door applications in wardrobes, room dividers, pocket doors, and more.
