Unlock Seamless Space Transformation with the Hawa Concepta Bottom Channel

Revolutionise your interior design with the Hawa Concepta Bottom Channel, meticulously engineered to provide flawless operation and a sophisticated finish for your Hawa Concepta pivot and slide-in door systems. This 748mm (2'5 7/16") left-handed channel, crafted from high-quality, plain anodized aluminium, is the essential component for achieving smooth, effortless movement and a truly hidden door aesthetic in your living or working spaces.

Key Features & Benefits:

- **Optimized for Hawa Concepta Systems:** Specifically designed to integrate seamlessly with Hawa Concepta 25/30/40/50 pivot and slide-in door hardware, ensuring perfect compatibility and optimal performance.
- **Precision Engineering for Effortless Movement:** The precisely manufactured channel guides the bottom of your door, guaranteeing smooth, silent, and reliable operation every time you open or close your hidden door. Experience the magic of doors that disappear effortlessly into your cabinetry or wall units.
- **Durable Aluminium Plain Anodized Finish:** Constructed from premium aluminium with a plain anodized finish, this bottom channel offers exceptional durability, corrosion resistance, and a sleek, contemporary aesthetic. The anodized surface provides a hard, protective layer that resists scratches and wear, maintaining its pristine appearance for years to come.
- **Left-Handed Configuration:** Designed for left-opening doors within your Hawa Concepta system, ensuring correct

alignment and functionality.

- **Generous 748mm (2'5 7/16") Length:** Ideal for a wide range of door widths, providing robust support and stability for your pivot and slide-in doors.
- **Concealed Design:** When combined with the Hawa Concepta system, this bottom channel contributes to a truly flush and invisible door solution, perfect for creating clean lines and maximising usable space in modern interiors.

Transform Your Space With:

- **Integrated Kitchens:** Create stunning, minimalist kitchens where appliances and pantry doors disappear when not in use.
- **Home Offices:** Design flexible workspaces that can be neatly hidden away after hours, maintaining a tidy home environment.
- **Living Room Storage:** Conceal entertainment units, shelving, or even entire wall beds for a sleek, uncluttered living area.
- **Retail & Commercial Spaces:** Implement smart, adaptable layouts that can be reconfigured with ease, offering both aesthetics and practicality.

Invest in the Hawa Concepta Bottom Channel and elevate your interior design to a new level of sophistication, functionality, and seamless integration. Experience the difference that precision engineering and premium materials can make in transforming your space.
