

Hawa Concepta III 25/35 – Sliding Door Hardware – PUSH Slide-in Set – Right Hand

Variant code: 30999

Hawa Concepta III 25/35 PUSH Slide-in Set: Revolutionise Your Space with Seamless Design

Unlock the potential of your interior with the **Hawa Concepta III 25/35 PUSH Slide-in Set**, the ultimate **pivot/slide-in door hardware** for modern furniture and cabinetry. This **premium sliding system** transforms standard doors into sleek, space-saving **pocket doors**, making clutter disappear with just a gentle push.

Key Features and Benefits for Architects & Installers

- **Handle-less Design:** Features an integrated **Push-to-Open** function, allowing for **handle-less cabinet designs** and a perfectly **flush front** when the door is closed. Achieve the desired **minimalist aesthetic** effortlessly.
- **Superior Functionality & Durability:** Engineered as a key component of the Hawa Concepta III system, this slide-in set supports **wooden doors** weighing up to **25 kg** or **35 kg**, ensuring **reliable, long-lasting performance**.
- **Ergonomic and Smooth Operation:** Experience **excellent operating comfort** with a patented system that provides **even, smooth movement**. The door first pivots 90 degrees, then **elegantly slides** sideways into the cabinet or wall niche.
- **Space-Saving Innovation:** Perfect for **small rooms, home offices, kitchenettes, and laundry areas**. The door is completely **retractable** into a small parking pocket, eliminating obstructions and providing **full, unimpeded access** to the cabinet interior.
- **Simple, Quick Installation:** Designed with a **high degree of pre-assembly** to save time on-site. All essential adjustments are conveniently accessible from the front, making **intuitive adjustment** easy.

without door removal.

- **Versatile Application:** Suitable for a range of solutions, including **floor-to-ceiling doors, half-height units**, and can be configured for single, double, or even three-door solutions (in combination with Hawa Folding Concepta III).
