

Hawa Folding Concepta III 20 – Upright Set – Door Height 1200–2200mm – Black Anodised

Variant code: 31526

The **Hawa Folding Concepta III 20 Upright Set** is a dedicated system component for **Hawa Folding Concepta III 20** furniture door installations. This version is designed for **door heights from 1200–2200mm** and forms part of the modular hardware required to create a compatible Folding Concepta III installation.

Manufactured from **aluminium** with a **black anodised finish**, the upright set is designed for compatible **wooden furniture doors**. The Folding Concepta III 20 configuration is specified for the **20kg door-weight class**.

The upright set is a **system component rather than a complete door system**. It is designed to be combined with the appropriate Folding Concepta III basic set, slide-in set and track set according to the required cabinet configuration.

Product Features

- **Upright set** for Hawa Folding Concepta III 20 systems
- Designed for door heights from **1200–2200mm**
- Suitable for compatible **wooden furniture doors**
- Specified for the **20kg door-weight class**
- Manufactured from **aluminium**
- Features a **black anodised finish**
- Forms part of the modular **Folding Concepta III 20** system
- Compatible with both **Push and Pull system configurations**
- Designed for use with the appropriate compatible **basic, slide-in and track sets**
- Supplied as an **upright system component** rather than a complete Folding Concepta III system

Product Benefits

- **Purpose-designed for Folding Concepta III 20 installations with door heights from 1200–2200mm**
- **Black anodised aluminium provides a coordinated dark finish for compatible system installations**
- **Modular system design allows the upright set to be combined with the appropriate Folding Concepta III components**
- **Suitable for compatible wooden furniture doors**
- **Can be incorporated into compatible Push or Pull configurations**
- **Provides the specified upright component for 20kg Folding Concepta III configurations**

Technical Characteristics

- **Product Type:** Upright Set
- **System:** Hawa Folding Concepta III 20
- **Door Height:** 1200–2200mm
- **Door Weight Class:** 20kg
- **Door Material:** Wood
- **Material:** Aluminium
- **Finish:** Black Anodised
- **Compatible Configurations:** Push & Pull
- **Product Category:** System Component
- **Application:** Furniture & Cabinet Door Systems

Applications

The **Hawa Folding Concepta III 20 Upright Set – 1200–2200mm – Black Anodised** is designed for compatible **Folding Concepta III 20 furniture and cabinet installations** using wooden doors within the specified **1200–2200mm height range** and **20kg door-weight class**. It can be used within compatible **Push and Pull configurations** and is combined with the appropriate basic, slide-in and track components required for the selected Folding Concepta III cabinet arrangement.
