

Hawa Folding Concepta III 25 – Upright Set – Door Height 1900–2700mm – Black Anodised

Variant code: 31527

The **Hawa Folding Concepta III 25 Upright Set** is a dedicated system component for compatible **Hawa Folding Concepta III 25** furniture door installations. This version is designed for **door heights from 1900–2700mm** and forms part of the modular hardware required for the corresponding Folding Concepta III system configuration.

The set uses an **aluminium upright profile** and incorporates a **black anodised cover panel** to provide the specified dark finish for compatible cabinet installations. It is designed for use with **wooden furniture doors** within the Folding Concepta III 25 system.

This upright set is a **system component rather than a complete door system**. It is intended to be combined with the appropriate Folding Concepta III basic, slide-in and track components according to the required cabinet configuration.

Product Features

- **Upright set** for Hawa Folding Concepta III 25 systems
- Designed for door heights from **1900–2700mm**
- Designed for compatible **wooden furniture doors**
- Suitable for the **25kg door-weight class**
- Features an **aluminium upright profile**
- Includes a **black anodised aluminium cover panel**
- Forms part of the modular **Folding Concepta III 25** system
- Can be incorporated into compatible **Push and Pull configurations**
- Designed for use with the appropriate compatible **Folding Concepta III system components**
- Supplied as an **upright system component** rather than a complete door system

Product Benefits

- **Purpose-designed for Folding Concepta III 25 installations with door heights from 1900–2700mm**
- **Black anodised detailing provides a coordinated dark finish for compatible system installations**
- **Modular design allows the upright set to be combined with the appropriate Folding Concepta III components for the required cabinet arrangement**
- **Suitable for compatible wooden furniture doors**
- **Can be used within compatible Push and Pull system configurations**
- **Provides the dedicated upright component for compatible Folding Concepta III 25 installations**
