

Hawa Folding Concepta – Interior Connector – Top Left – 645mm (2'1 13/32") – Alu Plain Anodized

Variant code: 24107

Hawa Folding Concepta Interior Connector – Top Left – 645mm – Alu Plain Anodized

Unleash the full potential of your folding-sliding doors with the **Hawa Folding Concepta Interior Connector**. This precision-engineered **top-left component**, measuring **645mm (2'1 13/32")**, is essential for seamlessly integrating your Hawa Folding Concepta system, creating truly flush, walk-in cabinets and versatile room divisions. Finished in a sleek **Alu Plain Anodized**, it offers both exceptional durability and a contemporary aesthetic.

Transform your living and working spaces with the innovative design of the Hawa Folding Concepta. This interior connector is a crucial element in achieving the system's unique ability to **fold and slide doors away into a pocket**, leaving a completely clear opening. Ideal for **kitchens, bedrooms, home offices, and commercial environments**, it allows you to effortlessly conceal storage, create hidden workstations, or open up entire sections of a room with unparalleled elegance.

Key Features & Benefits:

- **Seamless Integration:** Specifically designed for the Hawa Folding Concepta system, ensuring a perfect fit and flawless operation.
- **Top-Left Orientation:** Engineered for the top-left position of your folding-sliding door unit, guaranteeing correct functionality and alignment.
- **Optimal Length (645mm / 2'1 13/32"):** Precisely sized for a wide range of standard and custom door configurations within the Concepta system.
- **Durable Alu Plain Anodized Finish:** Provides excellent resistance to corrosion, scratches, and wear, ensuring long-lasting performance and a refined

appearance.

- **Flush Design:** Enables doors to recede completely into a pocket, creating a smooth, uninterrupted wall surface when closed.
- **Space-Saving Solution:** Maximises usable floor space by eliminating the need for traditional swinging doors.
- **Versatile Applications:** Perfect for walk-in closets, hidden kitchens, utility rooms, media units, office storage, and flexible room dividers.
- **High-Quality Construction:** Manufactured by Hawa, a global leader in sliding and folding door hardware, renowned for Swiss precision and reliability.
- **Easy Installation:** Designed for straightforward integration into your Hawa Folding Concepta assembly.
- **Modern Aesthetic:** The plain anodized aluminium finish complements a wide variety of contemporary interior designs.

Invest in the Hawa Folding Concepta Interior Connector to elevate your interior design and experience the ultimate in functional elegance and spatial flexibility.
