Hawa Frontino 40 H FS – Model M – Fitting Set – 2 Doors (1800–2199mm)

Boost?????? Your Space with Seamless Sliding Elegance

Experience the pinnacle of discreet and sophisticated door solutions with the Hawa Frontino 40 H FS – Model M – Fitting Set. Engineered for two-door installations with a system width of 1800mm to 2199mm, this premium fitting set brings unparalleled functionality and aesthetic appeal to your interiors. Ideal for flush-fitting sliding doors, the Frontino 40 H FS system ensures a smooth, quiet, and effortless operation, transforming any room into a haven of modern design and efficiency.

Key Features & Benefits:

- **Invisible Integration, Visible Quality:** The Hawa Frontino 40 H FS system is designed for complete concealment, allowing your doors to appear as a seamless part of your wall when closed. This creates a clean, minimalist aesthetic that enhances any contemporary or classic décor.
- **Effortless & Smooth Operation:** Featuring advanced Hawa technology, this fitting set guarantees exceptionally smooth and quiet sliding motion. Enjoy effortless access and a luxurious feel every time you open or close your doors.
- **Precision Engineered for Two Doors:** Specifically configured for two-door applications, this Model M set provides all the necessary components for a perfectly synchronized and balanced sliding system.
- **Optimised for System Widths 1800–2199mm:** This set is precisely tailored for openings within the 1800mm to 2199mm range, ensuring a perfect fit

and optimal performance for your specific project.

- **Durable & Reliable Construction:** Crafted from high-quality materials, the Hawa Frontino 40 H FS is built to last, offering long-term reliability and consistent performance even with frequent use. Invest in a solution that combines robust engineering with elegant design.
- **Enhanced Space Utilisation:** Flush-fitting sliding doors are an excellent space-saving solution, eliminating the need for swing-out clearance and maximising usable floor area in smaller rooms or high-traffic zones.
- **Versatile Applications:** Perfect for residential and commercial settings, including living rooms, bedrooms, offices, conference rooms, and more. Ideal for creating flexible room dividers or concealing storage areas with style.
- **Easy Installation (Professional Recommended):** While designed for efficient setup, professional installation is recommended to ensure optimal performance and adherence to Hawa's renowned quality standards.

Transform your living or working environment with the Hawa Frontino 40 H FS – Model M – Fitting Set. Discover the ultimate in hidden sliding door technology, offering sophisticated design, superior functionality, and lasting quality.
