Variant code: 053.3321.220

Hawa Frontino 40 Track Set – Model M – Cabinet Width 1800–2199mm: Elevate Your Sliding Door Experience

Unlock the potential of your interior spaces with the Hawa Frontino 40 Track Set – Model M, meticulously engineered for cabinet widths ranging from 1800mm to 2199mm. This premium sliding door hardware system delivers unparalleled smooth operation, sleek aesthetics, and enduring durability, making it the ideal choice for discerning homeowners and professionals seeking a superior sliding door solution.

Effortless Functionality Meets Modern Design:

The Hawa Frontino 40 is renowned for its **precision engineering** and **silent, effortless gliding motion**. Say goodbye to cumbersome, creaking doors and embrace the seamless elegance this system provides. Its sophisticated design integrates flawlessly into modern interiors, offering a minimalist profile that enhances, rather than detracts from, your furniture's aesthetic.

Key Features & Benefits for a Seamless Experience:

- **Optimised for Wider Cabinets:** Specifically designed for cabinet widths between **1800mm and 2199mm**, the Model M ensures perfect fit and optimal performance for larger sliding door applications. This makes it ideal for **wardrobes, media units, room dividers, and custom cabinetry**, providing a truly tailored solution.
- **Smooth & Silent Operation:** Experience the ultimate in user comfort with the Hawa Frontino 40's **precision-engineered rollers and track**. Enjoy whisper-quiet movement and incredibly smooth gliding, minimising noise and effort in daily use.

- **Robust & Durable Construction:** Crafted from **high-quality, long-lasting materials**, this track set is built to withstand the rigours of daily use. Its **exceptional durability** guarantees years of reliable performance, offering peace of mind and excellent value for your investment.
- **Space-Saving Solution:** Sliding doors are inherently **space-efficient**, eliminating the need for swing-out clearance. The Hawa Frontino 40 maximises your usable floor space, making it perfect for smaller rooms or areas where traditional doors would be impractical.
- **Enhanced Aesthetic Appeal:** The **concealed hardware design** of the Frontino 40 creates a clean, uncluttered look that complements contemporary design schemes. Achieve a **sleek, minimalist aesthetic** that elevates the overall appearance of your furniture and living spaces.
- **Easy Installation:** Designed with the installer in mind, the Hawa Frontino 40 offers a **straightforward installation process**. Clear instructions and well-engineered components contribute to a hassle-free setup, saving you time and effort.
- **Versatile Applications:** Beyond wardrobes, this track set is perfect for a wide range of applications, including **cabinet doors, kitchen pantry doors, storage solutions, and bespoke furniture projects**. Its adaptability makes it a favourite among **cabinet makers, interior designers, and DIY enthusiasts**.

Invest in Quality, Experience the Difference:

Choosing the Hawa Frontino 40 Track Set – Model M means investing in a **premium sliding door system** that combines superior functionality with elegant design. Enhance the usability and aesthetic appeal of your furniture with this **reliable, high-performance solution**.
