

Heavy Duty Radius Case Mortice Latch 76mm – Satin Stainless Steel

Variant code: 2415R.57.45.SSS

Heavy Duty Radius Case Mortice Latch 76mm – Satin Stainless Steel

Looking for top-tier door hardware? Our **76mm Heavy Duty Radius Case Mortice Latch** in **satin stainless steel** delivers. Designed for **heavy-duty use** and boasting a **stylish finish**, it's perfect for both **homes and businesses** that demand **longevity and elegance**.

Crafted from high-grade **satin stainless steel**, this mortice latch boasts exceptional resistance to corrosion, rust, and tarnishing, ensuring a long-lasting pristine appearance even in high-traffic environments. The robust 76mm (3-inch) radius case is designed for seamless integration into standard door preparations, providing a secure and reliable closure every time.

The **heavy-duty mechanism** within this latch is built to withstand rigorous daily use, offering a smooth and positive latching action. Its solid construction minimises wear and tear, guaranteeing consistent performance and peace of mind. Whether you're securing a busy office, a bustling public building, or simply upgrading your home's internal doors, this latch delivers unwavering reliability.

The elegant **satin stainless steel finish** not only provides a contemporary and sophisticated look but also offers practical benefits. It's easy to clean and maintain, resisting fingerprints and smudges, thus preserving its aesthetic appeal over time. The subtle sheen complements a wide range of interior designs, from modern minimalist to classic contemporary.
