Heavy Duty Tubular Latch 76mm (3") 8mm Follower - Antique Brass

Variant code: 2415.57.71.AB

Heavy Duty Tubular Latch 76mm (3") 8mm Follower - Antique Brass

A perfect blend of durability and timeless style for your doors.

Product Description:

Upgrade your doors with our premium Heavy Duty Tubular Latch, designed for exceptional performance and a sophisticated aesthetic. This robust 76mm (3") latch is engineered to withstand frequent use, making it ideal for high-traffic areas in both residential and commercial settings. The beautiful Antique Brass finish adds a touch of classic elegance to any door, perfectly complementing a wide range of handle styles and interior designs, from traditional to rustic and even contemporary.

Key Features & Benefits:

- **Heavy-Duty Construction:** Built with a solid zinc alloy and steel mechanism, this latch is designed for long-lasting durability and reliability. Say goodbye to flimsy latches that fail over time.
- **Smooth & Silent Operation:** The precision-engineered 8mm follower ensures a smooth, quiet, and effortless action. Enjoy a satisfying click and a seamless closing experience every time you shut your door.
- **Universal Compatibility:** The 76mm (3") size is a standard backset, making it a perfect replacement for most existing latches. The 8mm follower is compatible with standard British door handles and knobs, ensuring a perfect fit.
- **Elegant Antique Brass Finish:** The rich, warm tones of the antique brass finish provide a vintage look that is both stylish and resistant to tarnish and corrosion. It ages gracefully, developing a unique patina over time.
- **Easy Installation:** Comes with all the necessary fixings, including the faceplate
