

Heritage Heritage Brass EP Edge Pull Cabinet Handle 50mm Satin Nickel

Variant code: EP50.38.SN

Evolve the elegance and functionality of your cabinetry with the exquisite **Heritage Brass EP Edge Pull Cabinet Handle 50mm in Satin Nickel**. This premium-quality handle is a testament to sophisticated design and enduring craftsmanship, perfectly blending modern minimalist aesthetics with the renowned reliability of Heritage Brass.

Sleek Design, Seamless Integration: The discreet 50mm edge pull design offers a clean, uncluttered look that is ideal for contemporary and transitional interiors. Its low-profile nature ensures a seamless integration with your cabinet doors and drawers, creating a streamlined appearance that elevates the overall design of your kitchen, bathroom, or bespoke furniture. The handle subtly protrudes, providing just enough grip for effortless opening while maintaining a flush, refined finish.

Premium Satin Nickel Finish: Crafted from solid brass and finished with a luxurious **satin nickel**, this handle exudes a subtle, understated gleam that complements a wide range of colour palettes and wood tones. The brushed texture of the satin nickel not only adds a touch of modern sophistication but also offers excellent resistance to fingerprints and smudges, ensuring your handles remain pristine with minimal effort. This durable finish is built to withstand daily use, providing lasting beauty and performance.

Uncompromising Quality and Durability: As a product from the esteemed Heritage Brass collection, this edge pull handle guarantees exceptional quality and longevity. Each handle is precision-engineered for a comfortable and secure grip, reflecting the brand's commitment to superior craftsmanship. The solid brass construction ensures robust durability, making it a reliable choice for high-traffic areas in your home.

Easy Installation: Designed for straightforward installation, this 50mm edge pull handle comes with all necessary fixings, allowing for quick and hassle-free attachment to your cabinets. Whether you're undertaking a full renovation or a simple refresh, you'll appreciate the ease with which you can transform your space.
