

Hidden Finger Pull 25mm width x 48mm Depth – Polished Chrome

Variant code: FTD3015ACP

Seamless Style, Effortless Access: Hidden Finger Pull – 25mm x 48mm

Transform your cabinetry with the ultimate in minimalist design and functional elegance. Our Hidden Finger Pull (25mm Width x 48mm Depth) offers a sleek, integrated solution for opening doors and drawers without compromising on your aesthetic vision. Perfectly designed for contemporary and modern interiors, this discreet pull virtually disappears into your furniture, creating clean lines and an uncluttered look that elevates any space.

Key Features & Benefits:

- **Invisible Integration:** Engineered for a flush fit, this concealed finger pull mounts internally, providing a handle-less appearance that highlights the natural beauty of your cabinetry and furniture. Say goodbye to bulky knobs and handles and embrace sophisticated simplicity.
- **Optimal Dimensions (25mm W x 48mm D):** The 25mm width provides a comfortable and secure grip for effortless opening, while the generous 48mm depth offers ample space for fingers, ensuring a smooth and positive pull action. This carefully considered sizing makes it ideal for a wide range of applications, from kitchen cabinets to wardrobe doors and custom furniture.
- **Durable & High-Quality Construction:** Crafted from robust materials (specify material if known, e.g., "premium-grade aluminium," "solid brass," "stainless steel"), our hidden finger pull is built to last. It resists daily wear and tear, ensuring long-term performance and enduring beauty in high-traffic areas.
- **Easy Installation:** Designed for straightforward fitting, this finger pull can be quickly and securely installed into

your cabinetry. (Consider adding: "Includes all necessary mounting hardware" if applicable).

- **Versatile Application:** Ideal for **kitchens, bathrooms, bedrooms, living rooms, and office spaces**. Perfect for **cabinets, drawers, wardrobes, sliding doors, built-in units, media consoles, and custom furniture projects**.
- **Enhanced Safety:** Without protruding handles, this finger pull reduces snagging hazards, making your living spaces safer, especially in homes with children or pets.
- **Effortless Maintenance:** The minimalist design means fewer crevices for dirt and grime to accumulate, making cleaning a breeze and helping maintain a pristine appearance.

Why Choose Our Hidden Finger Pull?

If you're seeking to achieve a truly streamlined and modern aesthetic, our 25mm x 48mm Hidden Finger Pull is the ideal choice. It's the perfect solution for creating a **handle-less kitchen**, a **minimalist wardrobe**, or **sleek custom furniture**. Experience the perfect blend of discreet design, exceptional functionality, and lasting durability.
