Images Lines Lever on Round Rose – Contemporary Door Handle for Modern Interiors

Elevate your home's aesthetic with the sleek and sophisticated Images Lines Lever on Round Rose. This contemporary door handle combines minimalist design with exceptional functionality, making it the perfect choice for modern and transitional interiors seeking a touch of understated elegance.

Key Features & Benefits:

- **Modern & Minimalist Design:** The "Lines" design features a clean, straight lever that seamlessly extends from an elegant round rose, offering a refined and uncluttered look. This timeless aesthetic complements a wide range of décor styles, from industrial chic to Scandinavian minimalist.
- **Premium Quality Construction:** Crafted from high-grade materials, this door handle is built for durability and long-lasting performance. The robust construction ensures it can withstand daily use in busy households or commercial settings.
- **Ergonomic & Comfortable Grip:** The thoughtfully designed lever provides a comfortable and secure grip, making it easy to open and close doors.
- **Easy Installation:** Designed for straightforward fitting, the Images Lines Lever on Round Rose comes with all necessary fixings, allowing for a quick and hassle-free installation on standard interior doors.
- **Versatile Application:** Ideal for a variety of internal doors, including bedrooms, bathrooms (consider privacy options if applicable), living rooms, and offices. Its universal appeal makes it suitable for both residential and light commercial projects.
- **Stylish Finish Options:** Available in a range of contemporary finishes including polished chrome, satin nickel, matte black, and antique brass, allowing you to

perfectly match your existing hardware or create a striking contrast.)

- **Concealed Fixings:** The round rose cleverly conceals the fixings, providing a neat and seamless appearance that enhances the overall aesthetic.
