

Kaiman Shelf Support Wall Fixing – Glass & Wooden Shelves 7–41mm Thick – Matt Black

Variant code: 284.04.322

Kaiman Shelf Support Wall Fixing – Matt Black | Versatile Solution for Glass & Wooden Shelves (7–41mm Thick)

Elevate your interior design with the sleek and robust Kaiman Shelf Support Wall Fixing in an elegant Matt Black finish. This highly versatile and durable bracket is engineered to securely hold both **glass shelves and wooden shelves** ranging from **7mm to a substantial 41mm in thickness**, making it the ideal solution for a wide array of shelving projects in your home or office.

Designed for aesthetics and strength, the Kaiman Shelf Support offers a minimalist, contemporary look that seamlessly integrates with any decor, from modern and industrial to traditional and rustic. Its **concealed fixing mechanism** ensures a clean, uncluttered appearance, allowing your shelves and their contents to take center stage.

Key Features & Benefits:

- **Universal Compatibility:** Expertly designed to accommodate a broad spectrum of shelf materials, including **toughened glass shelves, laminated wooden shelves, solid wood shelves, MDF, and chipboard**.
- **Adjustable Thickness Range:** Securely grips shelves from **7mm to 41mm thick**, providing exceptional flexibility for various shelving applications.
- **Premium Matt Black Finish:** Adds a touch of sophistication and modernity to any space. The durable **powder-coated finish** is resistant to scratches and everyday wear, ensuring long-lasting beauty.
- **Robust & Reliable Construction:** Crafted from high-quality materials for maximum stability and weight bearing capacity, offering peace of mind for your valuable display items.

- **Concealed Wall Fixing:** Provides a clean, floating shelf appearance by hiding unsightly screws and mounting hardware.
- **Easy Installation:** Designed for straightforward DIY installation, allowing you to quickly and efficiently mount your shelves. (Screws and wall plugs typically not included, please check packaging for specifics).
- **Versatile Applications:** Perfect for **kitchen shelves, bathroom shelves, living room display shelves, bedroom storage, office shelving, retail displays, and more.** Create stunning feature walls, functional storage, or elegant display solutions.

Why Choose the Kaiman Shelf Support?

Whether you're looking to create a floating bookshelf, a chic bathroom caddy, a minimalist kitchen display, or an eye-catching retail presentation, the Kaiman Shelf Support offers an **unparalleled combination of style, strength, and adaptability.** Its striking matt black finish not only provides a contemporary edge but also offers excellent corrosion resistance, making it suitable for various environments. Invest in a shelf bracket that delivers both form and function, enhancing your living or working space.
