Variant code: FTD700C.AB

Optimise Your Furniture with the Knurled Cabinet Handle in Antique Brass

Add a touch of timeless sophistication and industrial-chic style to your cabinets, drawers, and furniture with our premium Knurled Cabinet Handle. The rich Antique Brass finish and precision-engineered knurled texture offer both stunning aesthetics and a superior grip.

Detailed Product Description:

Introduction: Transform your home's aesthetic with the ultimate blend of style and functionality. Our Knurled Cabinet Handle is a statement piece, perfect for revamping kitchen cabinets, restoring vintage dressers, or adding a modern industrial touch to any piece of furniture. Crafted from high-quality solid brass, this handle features a beautiful, aged antique brass finish and a tactile knurled pattern that adds a unique texture and a firm, satisfying grip.

Key Features & Benefits:

- **Exceptional Craftsmanship:** Each handle is precision-engineered from solid brass, ensuring exceptional durability and a luxurious, heavy feel. The antique brass finish is a living finish, designed to develop a unique patina over time, adding to its authentic, rustic charm.
- **Tactile Knurled Texture:** The iconic knurled surface isn't just for looks. This diamond-cut pattern, a hallmark of industrial design, provides a secure and comfortable grip, making it both ergonomic and visually appealing.
- **Versatile Design:** The clean lines and robust Antique Brass finish make this handle a perfect fit for a wide range of interior styles, including **modern, industrial, rustic, farmhouse, traditional, and transitional**.
- **Optimal Dimensions:** With a 1160mm centre-to-centre (c/c) measurement and a 90mm overall length, this handle is

designed for larger drawers and cabinet doors, providing a bold and balanced look. The compact 90mm overall length ensures it doesn't overwhelm the design while still making a strong visual impact.

- **Easy Installation:** Each handle comes with all the necessary M4 fixing screws, making installation a breeze. The standard 1160mm c/c ensures compatibility with a variety of pre-drilled furniture.
- **Long-lasting Finish:** The durable Antique Brass finish is lacquered to protect against tarnishing and wear, ensuring your handles maintain their stunning appearance for years to come with minimal maintenance.
