

Knurled T-Bar Lever Handle on 50mm Sprung Round Rose – Black

Variant code: 1199.19.02.BK

Knurled T-Bar Lever Handle on Round Rose combines contemporary industrial styling with premium architectural quality, making it an ideal choice for modern residential, commercial and hospitality interiors. Manufactured from **SS304 stainless steel** with a durable **Black finish**, the precision **knurled T-bar lever** provides enhanced grip while delivering a distinctive, high-end appearance.

Mounted on a **50mm diameter sprung round rose** with an **8mm projection**, the integrated spring mechanism ensures smooth lever return and dependable operation while reducing wear on the door latch. The handle features a **cast stainless steel rose** with a robust **4-point fixing inner rose** for superior strength and stability, while the **screw-on rose cover** conceals fixings to create a clean, seamless finish. Supplied complete with **bolt-through and wood screw fixings**, an **improved Allen key** for faster installation, and a **grub screw positioned on the underside of the lever** for enhanced security, the handle is suitable for **35–54mm thick doors**.

Designed for durability, comfort and long-term performance, the Knurled T-Bar Lever Handle delivers a premium door hardware solution that combines exceptional grip, concealed fixings and contemporary architectural styling.
