

Metro Angled Door Lever Handle on Round Rose – Matt Black

Variant code: V3790-MB

The Metro Angled Door Lever Handle on Round Rose is a perfect fusion of contemporary design and exceptional functionality, offering a sophisticated upgrade to any interior. This sleek and stylish door handle is engineered with a modern aesthetic in mind, featuring a striking angled lever that adds a touch of architectural flair to your doors. The minimalist round rose provides a clean, seamless look that complements a wide range of decor styles, from ultra-modern and industrial to classic and transitional.

High-Quality Materials and Durable Construction

Crafted from premium-grade zinc alloy, this door handle is built to last. The solid construction ensures a robust feel and a long-lasting performance, resisting daily wear and tear. Available in a variety of stunning finishes, including polished chrome, satin nickel, and matte black, you can easily find the perfect match to enhance your home's colour palette and hardware. The corrosion-resistant finish maintains its luster and beauty over time, making it a reliable choice for high-traffic areas.

Effortless Installation and Universal Fit

Designed for DIY enthusiasts and professionals alike, the Metro Angled Door Lever Handle is incredibly easy to install. The product comes complete with all necessary fixings and a clear, step-by-step guide to ensure a hassle-free setup. Its universal design is compatible with standard door thicknesses and can be used on a variety of interior doors, including bedroom, bathroom, and closet doors. This versatility makes it an excellent choice for new builds, renovations, or simple hardware updates.

Ergonomic Design for Comfort and Usability

Beyond its aesthetic appeal, this door handle is designed with user comfort in mind. The angled lever provides a comfortable grip and effortless operation, ensuring a smooth and quiet opening and closing of doors. The ergonomic design is not

only visually pleasing but also highly practical for everyday use.

Key Features and Benefits:

- **Sleek Modern Design:** The sharp, angled lever and clean round rose offer a bold and contemporary look.
- **Premium Quality:** Constructed from durable zinc alloy for superior strength and longevity.
- **Multiple Finishes:** Choose from popular finishes like polished chrome, satin nickel, and matte black to suit your style.
- **Easy Installation:** Comes with all hardware for a simple and quick DIY setup.
- **Versatile Use:** Ideal for a wide range of interior doors.
- **Ergonomic Comfort:** Angled lever provides a comfortable and secure grip.
- **Corrosion-Resistant:** The high-quality finish resists tarnishing and corrosion.
