Variant code: 291.22.080

Mirror Screw with Decorative Disc Set – Secure & Stylish Mounting for Mirrors & Panels

Elevate the look of your mirrors, signs, and decorative panels with our premium Mirror Screw with Decorative Disc Set. Engineered for both secure fastening and aesthetic appeal, this set provides a polished, professional finish, discreetly concealing mounting hardware. Perfect for homes, offices, bathrooms, and commercial spaces, our mirror screws ensure a robust hold while enhancing the overall design.

Key Features & Benefits:

- **Superior Security:** Crafted from high-quality materials (e.g., solid brass, stainless steel, chrome-plated steel), these screws provide a strong and reliable anchor for your mirrors and panels, preventing movement and ensuring long-lasting stability.
- **Elegant Concealment:** The decorative disc caps are designed to perfectly fit over the screw heads, offering a clean, flush finish that completely hides the mounting hardware. Say goodbye to unsightly screw heads!
- **Premium Aesthetic:** Available in a range of attractive finishes (e.g., polished chrome, brushed nickel, brass, antique bronze, satin chrome), our disc sets seamlessly blend with various interior styles, from modern minimalist to classic and traditional.
- **Versatile Applications:** Ideal for mounting mirrors of all sizes and weights, glass splashbacks, acrylic panels, signs, picture frames, and other decorative wall fixtures. Suitable for use in bathrooms, living rooms, hallways, offices, retail environments, and more.
- **Durable & Corrosion-Resistant:** Manufactured to withstand everyday wear and tear, as well as moisture-rich environments (especially our chrome and stainless steel options), ensuring long-term durability and resistance to rust and

tarnishing.

- **Easy Installation:** Designed for straightforward installation by both DIY enthusiasts and professional fitters. (Consider adding: "Includes all necessary hardware for a quick and hassle-free setup.")
- **Complete Set:** Each package includes the required number of mirror screws and corresponding decorative disc caps, providing everything you need for a professional mounting job. (Specify number if consistent, e.g., "Each set includes 4 screws and 4 discs.")

Why Choose Our Mirror Screw with Decorative Disc Set?
